Clinic Riders (2008)->

Capt. Jorge Montalvo has been an instructor and competitor in Eventing and Dressage since 1985 and has been teaching and competing in the US since 2000. He was a dressage clinician at Festival 2004 and 2007 and is a favorite dressage instructor of members of our USPC National office staff. Jorge was our Midsouth annual meeting dressage clinician in November 2008 – EVERY rider thought he was fabulous! Jorge, a native of Equador, was the Ecuadorian Chef d'equipe for Eventing for 2001 Bolivarian Games CCI* where they won Individual Gold and Team silver medals

This clinic is being offered to Midsouth Pony Club members rated D3 and above. The clinic fee is \$40 for a 40 min individual Dressage clinic with Jorge Montalvo. Midsouth is paying the other half of the clinicians' fee and covering the rental of the facility. The clinic will be held at Meadow Lake Equestrian Center in Lancaster, KY (25 miles south of Lexington). Stabling is available onsite for an additional \$25/night.

Clinic scheduling for private 40 min sessions limits the clinic to 14 riders each day of the clinic. If we have an overwhelming number of entrants, we may have to convert one or all sessions into semi-private (2 riders) 1 hour sessions, or schedule some a semi-private on Sat followed by a private session on Sun (if 2 requested). Midsouth reserves the right to be flexible in how the clinic is scheduled to give as many members as possible this opportunity.

Members may sign up at most for 1 session each day. If we have more entrants than can be scheduled, we will create a wait list.

Boskydell Pony Club is also hosting a club clinic with Jorge the

following weekend Aug 8 & 9. See their web site for more information.

Members/parents should complete and send in the clinic entry directly to the clinic secretary:

Cheryl Parsons, 437 Whitten Ridge Road, Milton, WV 25541

Make your check payable to: **Midsouth.**

Entry status and clinic ride times will be posted on the REGIONAL CLINICS page of the www.midsouthponyclub.org web site. No checks will be deposited before the closing date and then only deposited if you were accepted into the clinic. If you have any questions, email clpdba@aol.com or call Cheryl Parsons at 304-634-5392. Email is the preferred method of communication – include member name and pony club in all of your email communications.

Please remember a veterinarian's health certificate within 30 days is required for horses traveling into Kentucky.

Jorge prefers to work individually with each rider and has proven to achieve noticeable improvement in just 30 minutes. A private session of this clinic will be scheduled for 40 minutes to ensure sufficient time with each individual. However, you will ride intensively during this time. You and your horse should come to the clinic fit and hydrated!

Stabling at Meadow Lake Equestrian Center: 20 permanent stalls with doors for \$25/night per stall. Initial bedding is provided.
