Pam Watts Eventing Camp

Pam Watts is an advanced level eventer and an excellent instructor who has taught many students from beginners thru preliminary over the past 26 years. Pam excels at reading how your horse reacts to your aids and explain to you how to address problems. Many instructors can ride your horse and get it to perform, but it takes a special instructor to see what is wrong and be able to explain the changes needed for you to do it yourself! She can help you build confidence in yourself and your event horse. Clinics during the camp will include: Turnout and grooming the event horse, Dressage, Stadium Jumping, Cross Country, judging mpm speeds, proper conditioning for eventing and post-XC care.
