Southern District 4-H Horse Camp Barn Project

Southern District 4-H Horse Camp is a weeklong residential summer camp for boys and girls who are interested in learning about horses. Emphasis is placed on educating participants in horsemanship, equitation, and showmanship techniques in a wide variety of disciplines.

4-H Horse Camp welcomes riders of all skill levels. Beginners gain riding experience and intermediate/advance riders gain confidence by offering classes that sharpen riding skills and horse knowledge.

4-H Horse Camp provides a safe and fun environment for campers to spend a week learning to develop their Head, Heart, Hands and Health. Through fourfold development, campers learn life skills, build self-esteem, teach respect and appreciation for others, learn to work in a cooperative manner, and teach healthy habits.
